

## Peer Support Network

### **New NDIS Peer Support Network for the Armadale, Murray and Serpentine-Jarrahdale community**

Connecting with a Peer Support Network in your local community is a great way for you to meet your peers, gather accurate information, share ideas, knowledge and experiences about the NDIS in Western Australia.

Valued Lives Peer Support Networks are peer – led and facilitated groups that operate in local NDIS roll out areas; we have been requested to host a new group for individuals and families living in the Armadale Murray and Serpentine-Jarrahdale area.

**Please join us for Morning Tea and a chance to meet with your peers and design how this new Peer Support Network could operate in your local community.**

**Date: Thursday, 26 October 2017**

**From 10am-12pm**

**Venue: Lotteries House 122 Forrest Rd Armadale**
