

Self – Managing your Supports and Services in the NDIS

Are you considering self-managing funding in the NDIS but want to know more information?

This Valued Lives peer to peer workshop has been developed and will be presented by people with experience of managing their own supports and funding both within the NDIS Perth Hills trial site and in other metropolitan areas.

The workshop will be an interactive and practical workshop that will provide you with information about:

- The NDIS
- Self- Directing your own Supports and Services
- Engaging your own supports
- Recruitment Strategies
- The legal stuff
- The paperwork
- Plan management/ Shared management
- Self-management through NDIA
- Personal family stories of different ways of managing funding and supports.

Guest Speakers

- **Marita Walker – NDIS Perth Hills Trial Site Manager**
- **Patrick Odion – Assistant Director Funding NDIA**
- **Leanne Pearman - WA Individualised Services**

Peer Facilitators
